

Unit Brick Campaign Incentive

“Help build the path to the new Bert Adams”

Please note the following special opportunity for all units participating in the 2009 Atlanta Area Council Popcorn Sale. The annual Popcorn Sale supports many programs both at the Unit and Council level. Bert Adams Scout Reservation is currently undergoing Capital Improvements to increase the Program availability for our Scouts and Scouters. Many Organizations, Foundations, Businesses and Individuals are making this possible through the *When Tradition Meets Tomorrow* Capital Campaign. Your units participation in the Popcorn Sale also assists in making the new Bert Adams vision a reality.

All Units that sell \$1,000 or more during the 2009 Popcorn Sale will have a brick placed at Bert Adams that indicates unit number.

Thank you very much for your support.
