

## Will Alexander Scout Scholarship Fund

CNC is fortunate to have a scholarship fund for Cub and Boy Scouts!

The **Will Alexander Scout Scholarship** was created by Judy and Clifford Alexander in memory of their son Will. Will was a proud Eagle Scout and they wanted to honor his memory by starting a fund that would provide scouting opportunities at the Chattahoochee Nature Center to those that may not be able to afford it.

The **Will Alexander Scout Scholarship** fund can be used for various badge programs at CNC including programs for Tiger, Wolf, Bear, and Webelos Scouts as well as for Boy Scout Merit Badge Programs. In addition, we are able to provide scholarship funding for outreach programs as well. We are able to provide up to 75% funding for programs based on financial need.

We are thrilled to have this scholarship fund available to allow all scouts to participate in nature programming! For more information please contact:
